# THE BLICKMAN DIFFERENCE

- Our bassinets are renowned for their reliable 304 stainless steel, welded construction, durability and optimal performance which has made them the preferred choice among maternity nurses for decades.
- Our inverted “U-frame” bassinet design provides a stable and comfortable resting place for newborns. Our standard 4” ball bearing swivel casters, with two brakes, ensure safe transport.
- We offer various storage choices such as shelves, drawers and cabinets. Cabinets can be closed for more security or open for easier access.
- Our clear acrylic infant basket includes a cardholder for baby identification and rests in specially formed support rods so it can be set in the flat or Trendelenburg position.
