HANDLE/ARMS and CONTROLLER

PARTS LIST

Side references are from the operator's point-of-view—from the front of the unit. Items labeled “NS” are non-serviceable. Items labeled “NP” are not pictured. All quantities are per single clamshell hood or per electrical connection in the case of parts 50, 51, 53, and 54. Other parts, such as a mounting frame, will need to be purchased with the griddle and clamshell also.
