

MODEL **BWB**

| Key Number | Part Number   | Number Per Unit | Description                       |
|------------|---------------|-----------------|-----------------------------------|
| D1         | Unknown - NLA | 1               | Handle Lock Nut                   |
| D2         | Unknown - NLA | 1               | Spring Handle                     |
| D3         | Unknown - NLA | 1               | Top or Bottom Grid Screw          |
| D4         | Unknown - NLA | 1               | Top Grid                          |
| D5         | Unknown - NLA | 1               | Top Element                       |
| D6         | Unknown - NLA | 1               | Element Plate                     |
| D7         | Unknown - NLA | 1               | Locating Screw, Top or Bottom     |
| D8         | Unknown - NLA | 1               | Top Housing Cup                   |
| D9         | Unknown - NLA | 1               | Large Acorn Nut                   |
| D10        | Unknown - NLA | 1               | Locking Nut                       |
| D11        | Unknown - NLA | 1               | Insulation, Top or Bottom         |
| D12        | Unknown - NLA | 1               | Bell Knob                         |
| D13        | Unknown - NLA | 1               | Bell Nut                          |
| D14        | Unknown - NLA | 1               | Decal for Bell Timer              |
| D15        | 2P-09-WB-0007 | 1               | Bell Timer                        |
| D16        | 2E-Y6144      | 1               | On/Off Switch                     |
| D17        | 2J-05-07-0006 | 1               | Pilot Light (120V)                |
|            | 2J-05-07-0010 | 1               | Pilot Light (240V)                |
| D18        | Unknown - NLA | 1               | Brass Housing Screw               |
| D19        | Unknown - NLA | 1               | Clamp Pad Screw                   |
| D20        | Unknown - NLA | 1               | Clamp Pad                         |
| D21        | Unknown - NLA | 1               | Bronze Tension Pad                |
| D22        | Unknown - NLA | 1               | Lock Pin                          |
| D23        | Unknown - NLA | 1               | Brass Housing                     |
| D24        | Unknown - NLA | 1               | Special High Heat Wire (per foot) |
| D25        | 2E-05-07-0005 | 1               | Lead-In-Cord, Nema #5-15P (120V)  |
|            | 2E-05-07-0052 | 1               | Lead-In-Cord, Nema #6-15P (240V)  |
| D26        | Unknown - NLA | 1               | Cord Clamp                        |
| D27        | Unknown - NLA | 1               | Base Unit                         |
| D28        | Unknown - NLA | 1               | Terminal Assembly                 |
| D29        | Unknown - NLA | 1               | Back Frame                        |
| D30        | Unknown - NLA | 1               | Roll Bar                          |
| D31        | Unknown - NLA | 1               | Small Acorn Nut                   |
| D32        | Unknown - NLA | 1               | Hinge, Top or Bottom              |
| D33        | Unknown - NLA | 1               | High Heat Rubber Wire Protector   |
| D34        | Unknown - NLA | 1               | Screw                             |
| D35        | Unknown - NLA | 1               | Screw                             |
| D36        | Unknown - NLA | 1               | Clamp                             |
| D37        | 2T-05-WB-0021 | 1               | Thermostat                        |
| D38        | Unknown - NLA | 1               | Bottom Housing Cup                |
| D39        | Unknown - NLA | 1               | Locking Nut                       |
| D40        | Unknown - NLA | 1               | Yoke                              |
| D41        | Unknown - NLA | 1               | Element Plate                     |
| D42        | Unknown - NLA | 1               | Bottom Element                    |
| D43        | Unknown - NLA | 1               | Bottom Grid                       |
| D44        | Unknown - NLA | 1               | Metal Leg Pad                     |
| D45        | Unknown - NLA | 1               | Rubber Leg Pad                    |
| D46        | Unknown - NLA | 1               | Support Stem Nut                  |
| D70        | Unknown - NLA | 1               | Thermo Cut-Off                    |
| NI         | 2Z-09-WB-2001 |                 | Grid Cleaner                      |

IMPORTANT: WHEN ORDERING, SPECIFY VOLTAGE OR TYPE GAS DESIRED  
INCLUDE MODEL AND SERIAL NUMBER
